

# Surprise! Surprise! Interactive Loss of Control (LOC) Outreach Seminar

Factors that contribute to Loss of Control accidents include; pilot proficiency, Aeronautical Decision Making (ADM), inadequate hazard identification and risk assessment, hazardous operational environments, and human factors. This presentation focuses on loss of control event precursors that pose no inordinate threat individually but, taken together, nearly cause a disaster.

**Directions:** Use you preferred web-based map applicant.

## A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
